

## FRANKLIN STATUE

Statue of Famous Statesman to Be Erected in Paris.

CEREMONIAL ON APRIL 20

Benjamin Franklin's Birthday Will be Fittingly Commemorated by Dedication of Statue in Paris to His Memory.

PARIS, April 10.—It was the banker, John H. Harjes, who offered to donate to the city of Paris on the occasion of the 100th anniversary of the birthday of Franklin, a statue of this eminent man, who, during his life, was the best known of all Americans save only Washington, and whose reputation has gone on increasing from the time when he began his life's work. To suitably inaugurate the statue which is to stand on the Rue Franklin opposite the Trocadero, not far from where Franklin dwelt when minister from the struggling colonies to La Grande Nation, a ceremonial, to take place April 20th has been inaugurated under the high patronage of the American ambassador of a committee of honor, consisting of Emile Loubet, Casimir Perier, Grover Cleveland, Whitelaw Reid, Jules Cambon, former French Ambassador to America; Levi P. Forton, J. Jusserand, the present ambassador to America; General Horace Porter, Baron d'Estournelles de Constant, Paul Appell and J. Pierpont Morgan. The celebration has been organized and the co-operation of the authorities has been secured, mainly by the energy and efforts of Mr. McCormick.

The ceremonial will take place in the Palace of the Trocadero at 11 a. m. April 20th and the statue will be unveiled immediately thereafter.

It is intended to make this ceremonial worthy of the occasion. The U. S. Government has chosen a representative Prof. Smyth of Philadelphia, author of the Life and Works of Franklin, to make an address. The French government has appointed Mr. Barthou, Minister of Public Works to speak for it. The American ambassador will open and close the ceremonies. Mr. Harjes will present the statue and this will be unveiled by his granddaughter and it will be accepted by a representative of the city of Paris. There will be music by military bands and it is proposed to make the ceremonial worthy not only of the country which is proud to call Franklin son, and of the numberless celebrations which have taken place in his honor, but also of the country to which he was accredited—which showered upon him so many honors and so much friendship, and in which he worked out the great results which made France and America walk and hand from then until now.

The statue itself is the replica of one by the noted sculptor, John J. Boyle, which stands in front of the Philadelphia post office. The pedestal is by the well known architect, Charley Knight and the base reliefs thereon are by Frederic Brou. On the front stand the name Benjamin Franklin, 1706-1790.

"Les genies qui affranchirent l'amerique et versa sur l'Europe des torrents de lumiere. Le sage que demones reclamaient." All Americans and many French will be glad to unite in doing honor to this great man and in helping to knit the amity of the two great nations. Opportunity will be afforded to all to attend the ceremonial, as some five thousand tickets will be distributed through official channels.

Its equal as a curative agent does not exist. So perfect is the medicinal action as to challenge the admiration of the medical profession. Such is Hollister's Rocky Mountain Tea. 35 cents. Tea or Tablets. For sale by Frank Hart, druggist.

## Catspaw Customers.

The story of the monkey who used the cat's paw to pull the chestnuts out of the fire, finds new illustrations daily. When a dealer sells a customer a substitute for MENNEN'S BORATED TALCUM, he does so because the substitute pays him a bigger profit. He makes the customer his catspaw to rake in a few extra dollars.

It is not pleasant to be made a catspaw, especially when you pay for the opportunity of being injured. Is it not foolish to pay for the opportunity to use inferior imitations of MENNEN'S BORATED TALCUM, the standard powder of the world? Think it over.

Have you tried MENNEN'S VIOLET BORATED TALCUM TOILET POWDER? Ladies partial to violet perfume will find Mennen's Violet Powder fragrant with the odor of fresh plucked Parma violets.

For sale everywhere for 25 cents, or mailed postpaid on receipt of price, by GERHARD MENNEN CO., Newark, N. J.

## VERY STRONG ENDORSEMENT.

The following strong endorsement of H. M. Cake, of Portland, appears in the Polk County Observer, of Dallas, one of the strong papers of the Willamette Valley:

"The candidacy of Judge H. M. Cake for the long term as United States Senator, is meeting with marked favor in the Willamette Valley counties, as is also that of Fred W. Mulkey, for the short term, for they are clean, able men, and as such will represent Oregon at the National Capitol with credit to their State and honor to themselves. Each is in the very prime of an active and useful life, and no two men could be selected who would be more energetic and loyal in working for the development of all Oregon.

"While both men have, as good citizens, taken an active interest in the affairs of state, neither has been prominently identified with party factions, nor is either a confirmed office-seeker, and so far as the writer's knowledge extends, neither has been a candidate for State or National office before. It is also to the credit of these men that they have never been connected in any way with a legislative hold-up and the disgraceful proceedings incident thereto. For this reason the sincerity of Mr. Cake's declaration that he favors the election of United States Senators by the vote of the people will not be questioned.

"Mr. Cake asks for the long term and it is refreshing to observe that his candidacy is meeting with enthusiastic favor in every portion of the State. The Nation needs such men at Washington, and needs them as never before. Had former United States Senators been composed of men like H. M. Cake, the demand for the election of Senators by a popular vote, never would have arisen."

## REPUBLICAN CANDIDATE FOR STATE TREASURER.

Judge Thos. F. Ryan, of Oregon City. Who believes that the State Treasurer should conduct his office on business principles in the interest of all the PEOPLE of the State and not for the benefit of bankers and pledges himself to pay all interest on State's funds into the State Treasury, thus reducing our State tax at least \$20,000 per annum.

If there is to be a strike, the people hope that the fireless cooker will be less delusive than the long-promised briquette.

As Dooley remarked of the Southern Democracy, several Senators who under no circumstances would vote for the President's rate bill, will not now vote for it under any circumstances.

## Caught Cold While Hunting a Burglar.

Mr. Wm. Thos. Lonorgan, provincial Constable at Chapeau, Ontario, says: "I caught a severe cold while hunting a burglar in the forest swamp last fall. Hearing of Chamberlain's Cough Remedy, I tried it, and after using two small bottles, I was completely cured." This remedy is intended especially for coughs, and colds. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by Frank Hart and Leading Druggists.

If you would lose that dull old headache, And feel as live as a flea, Make haste to your druggist And buy some Rocky Mountain Tea. Sold by Frank Hart, druggist.

## WILL RULE IN ZION

John Murry Dowie Confident Son Will Win.

## HE WAS CRAZY FROM WORRY

Father of John Alexander Dowie Expresses Faith in Power of Elijah to Regain Position in Zion

CHICAGO, April 10.—A dispatch to the Record Herald from Essex, Iowa says:

That John Alexander Dowie will again rule Zion is the confident belief of his father, John Murray Dowie, who lives comfortably here at the age of 82. Repudiated publicly by his son a year ago, the old man has forgiven him, and is still deeply interested in his welfare and proud of him.

"There is but one explanation of his denying me," he said yesterday. "John Alexander has overworked himself, and his mind is unbalanced. But he will resume his sway once more. Let them wait until he gets back to Zion. It is all very well to plan an insurrection against him when he is ill and away, but they have forgotten his tenacity of purpose and strength of will. When he has cleansed himself of his sins and the mistakes he has made in the greed for power, forgetting that what God in His goodness has given him that can he also take away, he will resume his old place.

"As for Gladstone, he has been educated at three universities, including Harvard, and he will never be anything."

## GENTLEMEN, ATTENTION!

Astoria should have a seawall, and as it cannot be bought in Portland or Chicago it evidently must be built here. Now, if the gentlemen of this city would commence to have their clothes "built" in Astoria and become reconciled to having things made at home, they would have no difficulty in building the seawall. E. Martinson, merchant tailor, 149 Eleventh street, will build your clothes from the best that's made to the cheapest that's good.

In a coal strike are involved the operators, the strikers and the consumers, and the only ones sure to lose are the consumers, dragged in against their will. Some of the others make so much money out of strikes that they cultivate them.

## EX-GOVERNOR GEER LEADS ALL COMPETITORS.

Ex-Governor T. T. Geer arrived in Baker City last night and is spending the day with old-time friends in the interest of his candidacy for the Republican nomination for Governor. He has spent the last week in Umatilla, Union and Gilliam counties and is assured of a strong support there as well as in Eastern Oregon generally. The ex-Governor was for eleven years a resident of Union county and since his removal to the Willamette Valley has by his frequent campaigns, and otherwise kept in close touch with Eastern Oregon interests.

Governor Geer has campaigned in every county in Oregon but one, an experience which no other man has had, the result being that he has loyal friends in every precinct in every county working in his behalf and promising an easy victory at the primaries. If nominated, Mr. Geer has announced his intention to challenge Governor Chamberlain to a joint stump-speaking campaign covering the entire State. He goes tonight to Heppner.—Baker City Herald.

## FUNERAL OF BISHOP.

PORTLAND, April 10.—Before a gathering that crowded Trinity Church to the doors, funeral services were said today over the body of the Right Reverend B. Wistar Morris, Episcopal Bishop for Oregon. The service was conducted by Bishops Wells of Spokane, Keator of Tacoma and Funston of Boise.

## PROMINENT MEN IMPLICATED.

PORTLAND, April 10.—The federal grand jury today returned an indictment believed to connect with the land fraud—several prominent men in Oregon, California and the Eastern States. Bench warrants were issued, but the names of the indicted persons were not made public.

How is it explained that the monthly and weekly publications, which have so much time to "think it over," are the worst victims of hysteria and the yellow?

## A WOMAN'S ORDEAL DREADS DOCTOR'S QUESTIONS

Thousands Write to Mrs. Pinkham, Lynn, Mass., and Receive Valuable Advice Absolutely Confidential and Free

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions in regard to her private ills, even when those questions are asked by her family physician, and many

continue to suffer rather than submit to examinations which so many physicians propose in order to intelligently treat the disease; and this is the reason why so many physicians fail to cure female disease.

This is also the reason why thousands upon thousands of women are corresponding with Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, at Lynn, Mass. To her they can confide every detail of their illness, and from her great knowledge, obtained from years of experience in treating female ills, Mrs. Pinkham can advise sick women more wisely than the local physician. Read how Mrs. Pinkham helped Mrs. T. C. Willadsen of Manning, Ia. She writes: "I can truly say that you have saved my life, and I cannot express my gratitude in words. Before I wrote to you telling you how I felt, I had doctor for over two years steady, and spent lots of money in medicines besides, but it all failed to do me any good. I had female trouble and would daily have fainting spells, backache, bearing-down pains, and my monthly periods were very irregular and finally ceased. I wrote to you for your advice and received a letter full of instructions just what to do, and also commenced to take Lydia E. Pinkham's Vegetable Compound, and I have been restored to perfect health. Had it not been for you I would have been in my grave to-day."

Mountains of proof establish the fact that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for restoring women's health.
